

Couch to Coder in 4 weeks

Welcome to the programme!

Congratulations on securing a place on Couch to Coder with Bright Network Technology Academy! We're so excited to help you develop new skills, reach new coding heights and equip you with the foundational skills you'll need for a career in tech.

Each week, we'll send you a link to join the guided learning programme – so look out for those in your emails. Once you've completed the session for each week, we'll send you a task to reflect and recap what you've learnt before heading into the next stage of the programme!

Here's what to expect across the 4 week coding camp...

Programme

By taking part in the sessions each week, and submitting each of the tasks as you go, you'll officially complete Couch to Coder and receive a certificate at the end!

Ready to kickstart your career in tech?

We hope this series helps you feel inspired and confident to explore your route into the tech industry. Whether you want to pursue a software engineering role with your new coding skills, or consider something like Tech Consultancy, we've got loads of resources to support your learning across the Couch to Coder series and beyond...

Here's your Couch to Coder Career Toolkit:

- ◀ [Career path guide for Technology & IT infrastructure](#)
- ◀ [Technology sector profile](#)
- ◀ [Leading graduate employers in the Technology sector](#)
- ◀ [How to improve your technical skills](#)
- ◀ [Ways to stand out in your Technology application](#)

 **Date:**
9th August – 6th September 2023

 **Guided learning:**
Every Wednesday, 3-5pm

 **Independent learning & reflection:**
1-2 hours per week

Meet your trainer, Zsolt

Zsolt is a Software Engineering Trainer at Bright Network Technology Academy with 8 years of experience in training. He finds beauty in most programming languages and technologies, although Python is extremely close to his heart. He enjoys supporting others in their journey discovering coding, either as a hobby or as a new career option.

Join the Couch to Coder Community

As you progress throughout the course, you'll be able to connect with fellow Couch to Coders and our fantastic trainers by joining the Course Community Group.

Meet likeminded, tech-curious students, share your thoughts on each week of the programme, and ask your questions to the Technology Academy team to get the most out of the programme.

Look out for a **link in your email** to join the group ahead of the programme start date!
